CONDITIONS FOR THE SUPPLY OF DUTY FREE SALT TO INDUSTRIAL CONCERNS IN MYSORE.

The Government of Mysore have arranged with the Government of Madras for the supply every year of 1,000 tons of salt duty free for distribution among approved Industrial Concerns in the State up to the limits sanctioned in each case by the Director of Industries and Commerce in Mysore, Bangalore.

2. The supply of salt should ordinarily be made by the agent to the concerns to whom the concession is sanctioned once a month up to the limits sanctioned by the Director. The concerns will be required to give two months' notice to the agent if no supplies or shorter supplies are required.

3. The quantity allotted to each concern for each month should be supplied in full within 30 days after the end of the month to which the supply relates.

4. The quantity of salt to be supplied should be white and free from impurities. Salt having a low content of magnesium is preferred. The sample of salt to be supplied should be approved by the Director.

5. The Director will endeavour to make arrangements with the Collector of Salt Revenue, Madras, for the supply of salt at any factory that may be convenient to the Agent.

6. The Agent is not allowed to charge the industrial concerns anything over and above the rate quoted in the tender for the supply of duty-free salt. The concerns will be required to supply to the agent at the factory selected for supply, suitable bags for the transport of salt at their own cost.

7. The concerns should be given a notice of at least 12 hours to make their own arrangements to take delivery of salt at the City Railway Station, Bangalore, at a time that may be fixed in the notice. In the event of any concern failing to take delivery at the time fixed, the agent may deliver the same to the concerns at their godowns, and will be entitled to recover the actual charges of transport from the concerns to which the supplies have been made.

8. The Agent is required to deposit with the Director a sum of Rs. 1,500 as guarantee for a regular supply of duty-free salt in accordance with the conditions laid herein.

9. Failure to supply salt to the Industrial Concerns in time or any irregularity in the supply of the same will render the deposit liable to be forfeited.

10. Whenever there is any dispute as to whether the Agent has fulfilled the conditions relating to supply of salt the decision of the Director of Industries and Commerce in the matter is final.

11. The following procedure is prescribed for obtaining and delivering supplies of duty-free salt:—

(1) *Indents.*—Indents for salt should be delivered by the Agent to the Officer-in-charge of the Factory selected for supply at least one week before the close of the month preceding that to which the supply relates, not exceeding the limits sanctioned by the Director of Industries and Commerce. Copies of the indents should be sent to the Director of Industries and Commerce and Inspector of Salt Revenue of the concerned circle.

(2) *Advice.*—Advice of the arrival of the consignments should be given by the Agent to the Director of Industries and Commerce who will depute one of his officers to check the consignment and see if the seals are intact and hand over the consignment to the Agent for being delivered to the concerns as shown in the indents against which the consignment is received.

(3) *Receipts.*—The Agent should obtain and forward to the Director a proper receipt from each concern for having received the supply allotted to it by the Director in good condition and with seals in tact.
